LETTER FROM OUR PRESIDENT

Dear Friends

In 1891, Pitzonka's Pansy Farm and Nursery was founded and in these 70 years since we have enjoyed supplying the best perennials possible to grow.

Besides supplying plants to several state, municipal and federal agencies, we have thought primarily our basic trade to be you the homegardener. Our plants are all at least 1 year field grown clumps, **not** just small young plants needing additional growing on. We believe our stock is priced at a fair level and we believe after you enjoy the years of bloom, you'll agree. Look over these 15 top sellers and place your order now and get the early start on Spring.

Sincerely,

WALTER W. PITZONKA, President
